Financial Audit Report

Message from the Director

Dear Colleagues, Friends, Supporters and Well-Wishers,

It is with immense pride and gratitude that I present to you the annual report of Shilu Rekha Charitable Trust (SRCT) for this year. As we reflect on our journey, we are reminded of the transformative power of compassion, innovation, and community collaboration in shaping a brighter future for those in need.

This year has been marked by significant milestones in our mission to uplift marginalized communities. Through our focus on sustainable agriculture, women empowerment, and skill development, we have been able to empower countless rural families. Our efforts have not only created opportunities for economic self-reliance but also fostered a sense of dignity and purpose among women, youth, and farmers.

Our skill development initiatives have enabled over 300 women to earn a sustainable livelihood through micro-enterprises, producing goods such as phenyl, incense sticks, and other household products. Meanwhile, our agricultural programs have enhanced productivity and sustainability for 500 farmer groups, thanks to training, support, and access to resources. We also conducted 40 Financial Digital Literacy Camps across four districts, reaching over 1,500 rural individuals and equipping them with essential knowledge on savings, budgeting, and digital finance—laying the groundwork for economic empowerment in a rapidly evolving financial landscape.

These achievements would not have been possible without the unwavering support of our dedicated volunteers, generous donors, and collaborative partners. Your contributions have been the cornerstone of our success, and we deeply appreciate your faith in our vision.

Looking ahead, we are committed to expanding our impact, reaching more villages, and addressing critical needs with innovative solutions. Together, let us continue to work towards a future where every individual has the resources and opportunities to thrive.

Thank you for being part of this incredible journey. Let us move forward with renewed determination and hope.

Dipak Kumar Mallick
Managing Director, SRCT

“From Challenges to Change, Together We Rise, One Step at a Time”

About Organization

Shilu Rekha Charitable Trust (SRCT)

Accreditation and Recognition

Shilu Rekha Charitable Trust (SRCT) is a nationally accredited organization recognized by the Government of West Bengal and the Government of India. Registered under the Ministry of MSME and NITI Aayog, SRCT holds approvals under Sections 12A and 80G of the Income Tax Act, and is also registered under CSR1 making it eligible for CSR activities.

Our Mission

SRCT is dedicated to empowering rural communities, particularly women and underserved groups, by providing vocational training, sustainable livelihood opportunities, and access to essential resources. Our vision is to foster self-reliance and improve the quality of life in marginalized communities.

Core Activities

1. Product Development and Livelihood Generation

- Empower rural SHGs and FIGs to produce and market a variety of products such as:
 - Phenyl, incense sticks, soap powder, and vermicompost.
 - FSSAI-certified food products like pickles, sauces, jams, and squashes.
 - Agricultural items such as brown rice, lentil dumplings (Dal Bori) & local honey.
 - Cultivated mushrooms and handmade goods

2. Agriculture and Sustainable Practices

- Conduct training & workshops on organic & sustainable farming for 500 farmer groups.
- Encourage the use of bio-fertilizers and vermicomposting to boost yields while reducing chemical dependency.

3. Skill Development and Vocational Training

- Offer training in diverse skills, including:
 - Phenyl, incense stick making and soap powder production.
 - Dressmaking using modern sewing techniques.
 - Mushroom cultivation and pickle making.
- Equip unemployed youth and women with tools and knowledge to establish small-scale industries and achieve economic independence.

4. Women Empowerment

- Empower women through SHGs by facilitating micro-enterprises and providing machinery, equipment, and sales training.
- Promote financial self-reliance & leadership skills in underprivileged communities.

5. Collaboration with Government and Welfare Programs

- Partner with the West Bengal Government's agriculture and horticulture departments to provide inputs and training to backward communities.

- Work with national initiatives like MSME and the National SC/ST Hub to extend public welfare services to marginalized populations.

6. Community Engagement and Education

- Conduct awareness campaigns on health, environment, and human rights.
- Focus on leadership development, women empowerment, and civic responsibility to build informed and resilient communities.

Objectives

1. Promote skill development for illiterate, newly literate, and school dropout populations.
2. Address socio-economic challenges through education and awareness on health, environment, and human rights.
3. Establish small-scale industries to enable economic independence for youth and women.
4. Facilitate alternative employment opportunities through vocational trainings and workshops.

Future Plans

Currently focused on the Khatra Subdivision of Bankura District, SRCT is actively working to expand its programs across West Bengal and eventually throughout India. By building infrastructure, imparting skills, and promoting self-reliance, SRCT aims to transform the lives of financially backward rural populations on a larger scale.

Project Pipeline:

SRCT is in active discussions with various organizations for CSR funding to support the following community-centered projects:

1. **Women Empowerment through Tailoring Camps:** These camps aim to provide women from marginalized backgrounds with practical skills in stitching and tailoring, enabling them to establish home-based garment businesses and achieve financial independence.
2. **Promotion of Organic Farming:** This project focuses on training rural farmers in organic agricultural practices, enhancing soil health, reducing chemical dependency, and ensuring sustainable income through eco-friendly produce.
3. **Computer Vocational Training for Youth:** To bridge the digital divide, SRCT plans to establish computer literacy centers offering basic and advanced IT skills to rural youth, empowering them with opportunities for employment and entrepreneurship.
4. **Jeevan Jal - Water for a Healthy Future:** Ensuring access to safe drinking water in rural areas, SRCT will install sustainable water filtration systems and will lead hygiene awareness initiatives. This program will promote better health outcomes and enhances the quality of life for underserved communities.

Projects Completed

1. Financial Digital Literacy Camp (A NABARD Project)

In collaboration with NABARD, Fino Bank and Imagica Foundation, SRCT successfully conducted 40 Financial Digital Literacy Camps across four districts covering 40 different villages, engaging 1580 rural residents, from the Bankura District. These sessions were designed to strengthen financial awareness and digital literacy among underserved populations.

The camps aimed to empower rural individuals with essential financial knowledge, equipping them with tools for better money management and fraud prevention. The following key areas were covered through interactive workshops and demonstrations:

- **Household Budgeting:** Participants learned how to balance income and expenses, reduce unnecessary spending, and cultivate consistent savings habits.
- **Savings & Investments:** The program educated attendees on safe and productive avenues to channel savings—such as bank deposits, Fixed Deposits (FDs), and Recurring Deposits (RDs).
- **Fraud Awareness:** A major focus was placed on identifying financial fraud. People were taught to avoid sharing sensitive information like OTPs or PINs and to stay vigilant about phishing scams.
- **Government Schemes:** Attendees were introduced to various beneficial government initiatives designed for farmers and the rural population, including:
 - PM-KISAN Samman Nidhi Yojana
 - Atal Pension Yojana
 - Kisan Credit Card (KCC)
 - Sukanya Samriddhi Yojana
 - Pradhan Mantri Suraksha Bima Yojana

These camps were conducted across 11 Panchayats in 4 blocks of Bankura District, covering 40 villages:

Block	Panchayat	Village
Khatra	Dahala	Dakai, Hitasol, kapila
Raipur	Dundar	Bonkanali, Indrojhor, Khalpara, Madhupur, Mahara, Pairaguri, Raidihi
Raipur	Raipur	Manipur, Rangasol, Tantulchita
Raipur	Sanagara	Sanagara
Raipur	Sonagara	Bansrath, Murkum, Pukhuriya, Sagarbhanga
Ranibandh	Haludkanali	Haludkanali, Madandihi, kuldiha
Ranibandh	Ranibandh	Kalabani, Kathra
Ranibandh	Sonagara	Kadmagar
Saltora	Saltora	Arandanga, Bagadabar, Ghusra, Jhanak, Murlu, Saltora, Shyampur, Shyarbida, Subdamore, Tiluri, ladapalas, lapahadi
Saltora	Tirudi	Kulabohal, Sebhapur, Sugribasa, Tentul Duburi

The photographs below capture the active participation of women and youth in 6 different villages, reflecting the community's growing interest in financial literacy and digital empowerment.

This initiative has significantly improved financial confidence in the participating communities, encouraging more informed decisions, access to formal banking systems, and protection against digital fraud. It stands as a testament to SRCT's commitment to inclusive development through knowledge dissemination and community engagement.

2. Women's Livelihood and Micro-Enterprise Development

SRCT has empowered over 300 rural women by organizing Self-Help Groups (SHGs) and training them in the production of phenyl, incense sticks, soap powder, vermicompost, and other eco-friendly goods. Additionally, our partnership with Pollinate group helps these women distribute and sell life-improving products like solar lights, bringing hope to their communities while earning income and accessing training.

Rural women are being trained in the preparation of incense sticks and Phenyl, equipping them with skills to start small-scale businesses and generate sustainable livelihoods. This initiative not only fosters financial independence but also promotes self-reliance within their communities

SRCT, in partnership with Pollinate Group, empowers rural women by developing and distributing eco-friendly products, including sanitary pads. This collaboration fosters entrepreneurship, providing women with sustainable income opportunities while promoting menstrual hygiene awareness and community development

The women have been equipped with the skills and tools necessary to manage micro-enterprises, earning sustainable incomes of ₹2500-₹3000 per month. This initiative has not only enhanced their financial independence but has also fostered a sense of empowerment and self-reliance within their communities

3. Sustainable Agriculture Practices for Farmers

SRCT has trained over 500 farmers in sustainable agricultural techniques, focusing on organic farming, vermicomposting, and bio-fertilizer production. By collaborating with the Department of Horticulture, SRCT distributed high-quality seeds and demonstrated best farming practices. These efforts have significantly increased crop yields while reducing the dependency on chemical fertilizers, thereby promoting environmental sustainability and economic stability among farmers.

In collaboration with the Department of Horticulture, Government of West Bengal, SRCT has facilitated the distribution of watermelon and vegetable seeds to rural, underserved farmers. This initiative aims to enhance agricultural productivity and support the livelihoods of marginalized farming communities.

Women farmers, trained by SRCT, are actively engaged in the preparation of bio-fertilizers. This eco-friendly initiative not only boosts agricultural productivity but also empowers women to contribute to sustainable farming practices and community development.

SRCT providing on-ground support to farmers to ensure the implementation of best practices learned during training sessions. This hands-on guidance helps farmers adopt sustainable techniques effectively, enhancing productivity and fostering long-term agricultural success.

4. Skill Development for Rural Youth and Women

Through vocational training programs, SRCT has enabled rural youth and women to acquire valuable skills such as sewing, dressmaking, mushroom cultivation, and soap powder production. These programs have facilitated the establishment of small-scale cottage industries, helping participants achieve economic independence and develop alternative livelihoods in their villages.

SHG women are being trained in sewing using modern technology, enabling them to develop advanced skills and pursue opportunities in garment production, thus creating pathways to financial independence and entrepreneurship

Unemployed village boys are being trained in powdered soap production using modern technology. This initiative equips them with valuable skills, opening doors to self-employment and sustainable livelihood opportunities

The SHG women in the group are being trained in scientific mushroom cultivation, equipping them with the knowledge and skills to establish profitable farming ventures and enhance their economic independence.

5. Leadership and Awareness Programs

SRCT has conducted numerous workshops and awareness campaigns on health, environment, and human rights, particularly focusing on women empowerment and leadership development. These programs have equipped participants with the knowledge and skills to address social issues and improve their quality of life

Below is a snippet from Udyami Bangla – Newsletter by the MSME Development and Facilitation Office, Government of India, highlighting SRCT's collaboration on projects aimed at empowering backward rural communities through industry creation and government schemes

AWARENESS PROGRAMME ON SCHEMES OF MINISTRY OF MSME AT BANKURA

Br. MSME-DFO, Durgapur, Ministry of MSME, Govt. of India has organized one awareness Programme on Schemes of Ministry of MSME, Govt. of India. The programme has been started with formal welcome address given by Sri Dipak Kumar Mallick, Secretary, Shilurekha Charitable Trust, Raidighi, Bankura on 24.05.2023.

Sri Tapas Roy, Investigator, Br. MSME-DFO, Durgapur brief about the aim and objective of organization of the programme. He motivated the participants for self entrepreneurship by availing the schemes benefits of Ministry of MSME, Govt. of India. During his speech he highlighted various schemes like MUDRA, PMEGP, MSE-CDP schemes and

other important SC/ST schemes of Ministry. He also briefed about various trades fair related schemes of MSME, Govt. of India and requested all the participants to keep in touch with this office for availing necessary handholding support for their development.

Sri Rajarshi Maji, Asstt. Director, Br. MSME-DFO, Durgapur motivated the participants to avail the benefits of Ministry of MSME, Govt. of India either in the form of Groups or in single. He categorically briefed about the details of documents require for Bank loan under MUDRA /PMEGP or any other schemes. He brief about details of SFURTI schemes, aim objective, preparation of Groups and step by Step procedure to be followed for applying under SFURTI. Products which may be taken for SFURTI are Sabai Grass, Cup plate from Sal Pata, Agricultural Products etc.

About 41 numbers of participants were attended the programme. The programme ended with vote of thanks given by T. Murmu, Socical Worker, Bankura.

A leadership program designed to empower individuals with the skills to create, market, and sell products, promoting self-sustainability and fostering entrepreneurship

An awareness session focused on women's rights, aimed at empowering women to achieve self-sustainability by equipping them with the skills to produce, sell, and market products, promoting entrepreneurship and economic independence

6. Saree Distribution Program During Durga Puja

During the festive season of Durga Puja, SRCT extended its support to rural women by distributing sarees to 40 women from underserved communities. This initiative aimed to bring joy and a sense of inclusion during the celebrations, reinforcing SRCT's commitment to uplifting the lives of rural women not just economically, but also emotionally and culturally.

Way Forward

As SRCT continues its mission to empower rural communities, our focus is on scaling up impactful initiatives and implementing larger projects that address critical social and economic challenges. To achieve this, we plan to:

- Strengthen collaborations with businesses, government bodies, and local communities.
- Actively seek CSR partnerships and public donations to secure the necessary funding.
- Expand ongoing programs, ensuring sustainable growth and broader outreach.

By fostering collective efforts, SRCT envisions creating a future where marginalized populations thrive with dignity, opportunity, and resilience. Your continued support will help us turn this vision into reality.

Future Project proposals:

- **Swasthya Shakti: Empowering Women Through Menstrual Hygiene (Apr'25)**
 - The "Swasthya Shakti" initiative aims to raise awareness among women about menstrual hygiene through interactive workshops, discussions, and demonstrations. As part of the program, free sanitary pads will be distributed to ensure access to essential hygiene products, promoting health, dignity, and empowerment in underserved communities.
- **Jeevan Jal: Water for a Healthy Future** (Project Timeline to be decided, under discussions)
 - SRCT is committed to addressing the critical need for clean drinking water in underserved rural communities. By implementing sustainable water filtration systems and conducting awareness campaigns on water hygiene, we aim to improve the health and well-being of countless families.
- **Women Empowerment through Tailoring Camps** (Under discussions)
- **Promotion of Organic Farming** (Under discussions)
- **Computer Vocational Training for Youth** (Under discussions)

The successful implementation of these future projects depends on securing donations and funding from individuals, corporations, and government bodies. SRCT is actively engaging with potential donors, corporate partners, and government agencies to gather the necessary resources for these initiatives.
